The screenshot displays the ZAG trading platform interface. On the left is a dark sidebar with navigation options: Accounts, Partner Area, Support, My Report, MetaTrader 5, Useful Tools, Social Trading, 12X Funded, Amplify, Academy, and CopyX. A red arrow points to the 'CopyX' option at the bottom of this sidebar. The main content area shows the profile for the 'SONIC' strategy. At the top right of the main area, there is a 'Balance' field with an eye icon and a masked value '*****', a green 'Deposit' button, a notification bell, a language selector set to 'EN', and a share icon. Below this, the 'SONIC' profile header includes a blue fox logo and the name 'SONIC'. A green 'Connect' button with a link icon is highlighted by a red arrow. To the right of the 'Connect' button are a star icon and a share icon. Below the header is a black bar with four statistics: Followers (375062), Trading Days (207), Performance Fee (30%), and Min Investment (\$10.00). The main content area is divided into two sections: 'Performance' on the left and a 'Graph' on the right. The 'Performance' section lists: ROI +127.95%, Max Drawdown 0.26%, Win Rate 86.92%, Win 339, Lose 51, Avg Trade Length 0.01 Days, Sharpe Ratio 0.00, and Account Type Amplify. The 'Graph' section shows a line chart with a green area underneath, representing performance over time. The y-axis ranges from 3.0 to 5.5.
